(both ideologies prescribe behaviour based on an elegant and consistent model of human behaviour and relationships.

rs7241993, rs6062509, rs1041449, rs2405942, rs12621278, rs9364554, rs10486567, rs6465657, rs2928679,

five milliliters (or 5cc's) technically equals one teaspoon, but don't use a teaspoon to determine the amount, because your dose could be off
